£300 heating rebate scheme

Since 2001 Warm Front has helped thousands of people receive insulation and heating improvements to make their homes warmer, healthier and more energy-efficient. On Monday 5th December 2005, the Chancellor made a pre-budget announcement regarding Government's intention to offer a £300 grant to pensioners who would not otherwise be eligible for Warm Front.

If you are over 60, own or privately rent your home and do not qualify for a Warm Front Grant because you do not receive a relevant benefit, you may be eligible for a £300 rebate. This rebate is available to help towards repairing or replacing an inoperable system or installing a new central heating system where there is none existing at the property. The cost of work must be over £300 Inc VAT and is only available in English Local Authority Areas.

All customers can apply via the **Eaga Contact Centre on 0800 316 2808**. Lines are open Monday to Friday from 8am to 6pm and on Saturday from 9am to 5pm. Or, you can write to us at the following address: Eaga plc, Freepost NAT 13708, Newcastle upon Tyne NE2 1ZL. You do not need to use a stamp.
